

Mr. Willow's complete healthy Food Package for Nurseries enables your nursery to deliver healthy, ward winning home-made meals, on a budget and without a celebrity chef! It also provides you with a range of invaluable support resources for role-modelling healthy food initiatives and developing strong partnership links in healthy food practice within the family.

"Mr Willow's Complete Nursery Food Package" includes:-

✓ **Mr Willow's Healthy Food Policy Statement** (together with a food policy statement which you are able to personalise for your nursery and its preferred practice)

✓ **Mr Willow's Essential Recipes for Nursery Schools-** A comprehensive 168 page **electronic recipe book** with an "active index" and a full set of tasty, popular and nutritionally appropriate nursery recipes. This invaluable resource contains popular recipes and information gained over 25 years of successfully feeding children healthy food in a nursery environment. It includes nutritional advice, step by step cooking instructions and photographs, and guidance for special dietary needs.

✓ **Mr Willow's Three Week Rolling Menu and "Day at a Glance" information for the Nursery Kitchen and Parent's Notice-Board:** These large print daily menus cover all age groups within the nursery and provide guidance for the cook and kitchen staff and extremely high quality feedback for parents/carers.

✓ **A comprehensive Partnership Information Pack for Parents** - This "partnership" pack gives quality and robust feedback thus improving partnership links with parents and their families, and role-modelling healthy food practice. It includes nutritional advice, a comprehensive food policy and a full day by day breakdown of Mr Willow's Three Week Rolling Menu.

✓ **Mr Willow's "Day at a Glance" menu information** - For the Nursery Kitchen and Parent's Notice-Board

✓ **A helpful week by week shopping list** - To accompany Mr. Willow's Three Week Rolling Menu.

✓ **"Super Tips" on Super Foods for Super Kids:** - A pack of 12 colourful monthly information sheets/cards for parents/carers with helpful advice, nutritional information and easy recipes. Suitable for notice boards, or for inserts in the monthly newsletter. These Top Tips are ideal for those settings wishing to take a pro-active initiative in developing their partnerships with parents and in role-modelling healthy food in the local community.

✓ **Food Preparation and Weaning Advice** - An essential food handling training document for all practitioners involved in food preparation.

✓ **Large poster prints of Mr. Willow** (the bear chef) - children's healthy food hero.

√**Nutritional Information for parents and Carers.** The preface to the Three week Rolling Menus for parents/Carers.

√**Information for Cooks** - Nutritional and cooking guidance for meal preparation.
